Safefold Barrier

A self-contained, easy-to-use barrier which is ideal for use around temporary excavations and road works. Conforming to Chapter 8, this system is designed for ease of transportation, installation and storage.

- Available in 1.25 metre, 1.5 metre and 2 metre sizes.
- Super tough, injection moulded hinges.
- Planks bolted to hinges for extra strength.
- Ends of planks completely enclosed.
- A stable unit with or without feet.
- Can be used for holes and trench work.

Colour Options

- Coloured hinges
- Corporate colours.
- Reduces the likelihood of theft or loss.
- Coloured posts also available to match hinges.
